Operating and marketing expenses were \$3,485,000 in the third quarter of 2017 compared to \$1,387,000 in the third quarter of 2016. Both increases were primarily from the timing of the XFINITY Series races previously mentioned.

At September 30, 2017, the Company's total indebtedness was \$5,880,000 compared with \$8,060,000 at September 30, 2016.

On August 17, 2017, we entered into an agreement with an entity owned by Panattoni Development Company, an international commercial real estate development company, relative to the sale of approximately 150 acres at our Nashville Superspeedway at a purchase price of \$35,000 per acre. Closing under this agreement is scheduled to occur by the end of the year, subject to extension if certain milestones have been met (which could delay closing until the first quarter of 2018). Additionally, we granted the prospective buyer a three-year option on an additional 87 acres at \$55,000 per acre. We will continue with our effort to sell the approximately 1,150 acres of Nashville Superspeedway property that would remain after these transactions.
